## Mihi

Ko te mihi tuatahi ki tō tātou matua nui i te rangi, ko ia te timatanga me te whakamutunga o ngā mea katoa.

Tuarua ki tō tātou Kīngi Māori a Tuheitia e noho mai ra ki runga i te ahurewa tapu o tōna whaea ōna mātua tipuna kia piki te kaha me te māramatanga o te runga rawa ki runga i a ia, me tōna hoa rangatira me a rāua tamariki tae atu ki tōna whare kahui ariki, rire, rire...paimarie

## Mai te Tumuaki

#### He mihi atu ki a koutou i tēnei wā

Term one has been a time of a continued growth looking around our campus of brick buildings, oak trees and cherry blossoms it is a credit to all

Harakeke plants have been planted and now harvested in our raranga programme, the quality environment and quality buildings help shape our people. Everything we do has the right balance between participation and performance pathways here at kura.

In sport our kura athletic sports focus on participation, inclusion and house spirit, then leads to South Waikato Athletics, Western Zone and finally our elite athletes at Waikato Bay of Plenty. A large team making it all the way this

Our national Ki-O-Rahi team combined with a junior development team to participate in a zone competition. We have teams qualified for nationals in 2024 and 2025 for our top teams. A pursuit of personnel excellence can still include a good dose of fun on the journey.

We sent staff to Nelson last year with Kura Waenga competitions to prepare for our National competition this year. Seventy five students are trialling this year, their fun is tempered with a degree of anxiety. Our national kapa haka teams place a high expectation on performance, we take this seriously. Our deep values are emphasised in Sports. Kapa haka, Tauira being happy, resilient, responsible, independent, humble, positive, challenging.

Academic results in our wharekura have had record numbers of tauira gaining qualifications in a record number of subjects, Te Reo, Te Reo Rangatira, Mathematics, Physical Education, Social Studies, Visual Arts, Digital Technology, Outdoor Education, Science, Performing Arts, were subjects that had record number of students and pass marks.

Now that our Kōhanga Reo and Senior Wharekura complex are complete. We now have a full roll of 325 students for our community.

We have much to look forward to this year here at kura. Remember.

"Nobody gets better without opportunity and challenge"

Noho ora mai I raro i te manaakitanga o te runga rawa. Paimarie.

Matua Keith Tumuaki

Please enjoy this newsletter and celebrate all that goes on here at Te Wharekura o te Kaokaoroa o Pātetere.

Hutia te rito o te harakeke, kei hea rā te kōmako e kō Kī mai ki ahau, he aha te mea nui o te Ao Māku e kī atu, he tangata, he tangata, he tangata.

Ngā mihi o te rā ki a koutou e te whānau whanui,

As we continue to strengthen our swimming programme, we are extremely impressed with the dedication and skills the tamariki have shown towards their swimming. There is still more swimming and fun to come in Term 2.

Additionally, our academic achievements have been excellent this term. Students have shown great improvement in their learning, both in terms of understanding the material and applying it in their daily school routines. As teachers, we are proud of the hard work and dedication our students have shown in their mahi in and outside of class.

Our extracurricular activities have also been a success, from sports such as Rippa rugby, and Kapa haka our students have shown a strong interest and commitment to their passions outside of the classroom. This has helped to foster a sense of community and teamwork among our students, helping them to grow both academically and socially.

Overall, it has been a successful and fulfilling term for both staff and students. We are excited to see what the next term will bring as we continue to strive for excellence in all that we do.

Na ngā pouako o te Kura Teina

# ER Te Chu Waenga Fis

Ro tōku reo tōku ohooho, Ro tōku reo tōku māpihi maurea!

#### HATU PATU KURUNGAITUKU

Last Friday, we went to Rotorua to see the Hatu Patu show. It was an eye-opening experience with futuristic digital equipment, acrobatic dancers, and interactive characters. Supporting Māori actors demonstrating talent and skill was delightful. Despite standing the whole 75 minutes, the kids weren't bothered as there was so much going on. Overall, it was a trip well worth it!

#### WHAKAAKO ME TE AKO - Teaching & Learning

Teaching and learning have begun on a positive note with the introduction of our six classes – three focusing on Pāngārau and three Reo Matatini. By week 3 of this term, routines, groupings, and classes were fully established, keeping our students busy as they tackled the tasks set by their teachers.

The central theme of our curriculum has been "**TE TIRITI**" providing our tamariki with opportunities to explore various aspects of this important topic. Given the current events, the discussions and information shared have been particularly relevant and insightful.

Our tamariki have actively participated, raising numerous questions and sharing their opinions on potential solutions. Next term, we plan to delve even deeper into this theme from a different perspective, aiming to foster critical thinking skills among our students.

#### HŌTAKA PŪORO - Music Classes

Whaea Kapi has achieved remarkable progress with our tamariki in the music and performing arts domain during her brief time here. Through practical exercises and written assignments, the children have gained insights into sound, notes, and their identification.

The incorporation of Te Reo Māori has enriched their learning experience even further. This year, we are fortunate that all students have the chance to engage in these valuable lessons.

#### **KAUKAU - Swimming**

Swimming lessons have been highly successful, with a significant number of students actively participating. Despite the challenges often associated with this subject, the engaging lessons have been well-received by the children this year. We organised students into five levelled groups, catering to various skill levels from beginners to proficient swimmers.

Next week, we have scheduled two full days of swimming at the Matamata Pools in preparation for our swimming sports event in week 10. Please ensure your tamariki are prepared and have the appropriate swimwear for these sessions.

#### TĪEMIEMI – Seesaw

Seesaw is fully functional both in and outside of the classroom, allowing our tamariki to access online assignments. These activities are tailored to their current classroom learning. It serves as a resource for work at home, available 24/7 and at your convenience.

It's crucial that you connect with us regularly as most of our announcements and student work are

uploaded weekly. Seesaw also facilitates permission requests and addresses parent concerns effectively, making it an essential tool for our kura. If you encounter any issues connecting, please don't hesitate to contact our kura office.

#### KĀKAHU KURA – UNIFORMS

As the colder months approach, it's important for our tamariki to prepare by ensuring they have the appropriate uniforms. We permit the use of black track pants as substitutes for black shorts and skirts. In exceptionally cold weather, they may also wear a black skivvy under their blue polos for added warmth. However, these additional garments should be the only deviations from the standard kura uniform. If you need to purchase winter school uniforms, please visit the office staff for assistance.

We also like to inform and remind whānau croc sandals are not proper school uniform attire, students are to wear either plain black sandals or plain

#### **MEDICAL AND PERSONAL DETAILS**

To ensure we can contact parents during emergencies, it's vital to have your updated contact details, especially during outings or trips. Equally important is providing medical information. Some parents are not disclosing medical conditions during enrolment, putting us in a vulnerable position. Without this information, we cannot adequately care for or monitor your children. Often, we only learn about these conditions after several months of caring for the child. Please do the right thing and provide these details to our kura office.

#### **ABSENTEES**

We can not stress enough the importance of informing whether your tamaiti / tamariki are away from kura. We have numerous options for caregivers to get in contact whether that is by a phone call and email to the school office, text message as well as a reply to the automated text messages that gets sent out by the office staff there is also our ohu portal - Seesaw we can also communicate on.

## Entering NCEA and NZ Scholarship

#### MyNZQA learner account

The MyNZQA learner portal shows all your secondary school results, awards, qualifications, and endorsements.

In the MyNZQA learner portal you can:

- view your entries and results
- upload digital submissions for marking
- apply for reviews or reconsiderations
- request a Record of Achievement.

Information on how to create a MyNZQA learner account is available at Create or activate account on the NZQA website. You also use these login details to access digital external assessments.

#### Results released to universities

In January 2025, NZQA will send all Level 2, Level 3, and University Entrance results that have been authorised for release to all New Zealand universities to help process pre-enrolments. If you do not want your results to be released, you must tell your school or kura

#### Studying overseas

If you're planning to study overseas, contact the institution(s) where you intend to study as early as possible. Make sure you understand their enrolment requirements, procedures, and deadlines. Australian universities can access your Entering NCEA and NZ Scholarship results directly from NZQA systems, unless you have specifically requested that your results are not made available.

#### Completing a digital external assessment

NZQA is offering digital external assessments in NCEA subjects in 2024, along with New Zealand Scholarship Media Studies. Please refer to the National econdary examinations timetable for the full list of subjects being offered digitally. This is available on the NZQA website. Your school or kura will let you know which external assessments they are offering digitally and help you prepare.

Along with the revision you would do for external assessments, you need to get familiar with the digital exam platform. Activities to familiarise yourself with the digital assessment platform and prepare your device can be found on our website: www2.nzqa.govt.nz/ncea/external-assessment/about-digital-external-assessment/

#### Tēnā koutou katoa

The National Certificate of Educational Achievement (NCEA) is the main national qualification for secondary school students/ākonga in New Zealand. It is made up of internally and externally assessed standards listed on the Directory of Assessment and Skills Standards. Assessment for externally assessed standards include exams and portfolios of work.

NCEA is recognised by employers and used for selection by universities both in New Zealand and overseas. New Zealand Scholarship is an award that recognises top secondary school students. Students who achieve NZ Scholarship receive a monetary award. Students who receive multiple NZ Scholarships may also be recognised through NZQA's Top Scholar Award ceremony.

#### How do I become a candidate for NCEA or NZ Scholarship?

When your school or kura first sends your entries to NZQA in late Term 1, you automatically become a candidate for NCEA. If you are interested in entering for NZ Scholarship, your school/kura can help you enrol in this as well. Results of every standard you achieve will be recorded on your New Zealand Record of Achievement.

If you are doing any other study, for example at Te Aho o Te Kura Pounamu or another provider, you will need to tell your school/kura.

Find more information, please visit www2.nzqa.govt.nz/ncea/about-ncea/

#### National Secondary Examinations Timetable

The 2024 Examination Timetable is available on the NZQA website www2.nzqa.govt.nz/ncea/exam-timetable-and-key-assessment-dates/exam-timetable/. Check with your teacher/kaiako if you have any End of Year timetable clashes. They will work with NZQA to manage these.

#### **Special Assessment Conditions**

If you have sensory, physical, medical, or learning difficulties, you may be able to get help to access assessments during the year. This help is called Special Assessment Conditions. Your school/kura needs to apply to NZQA on your behalf to access this help and will explain what this means for you. There is no cost to you for this. For more information, please visit <a href="www2.nzqa.govt.nz/ncea/ncea-for-">www2.nzqa.govt.nz/ncea/ncea-for-</a> teachers-and-schools/special-assessment-conditions/

#### How do I gain entrance to a New Zealand university?

University Entrance (UE) is the minimum requirement for getting into a New Zealand university. Many universities and other tertiary providers have further programme-specific entry requirements. You'll need to talk to them to find out the exact requirements for individual programmes of study, including limited entry programmes.

To gain UE you will need:

- NCÉA Level 3
- 14 credits at Level 3 in each of three UE approved subjects
- Literacy 10 credits at Level 2 or above, made up of:
  - 5 credits in reading standards
  - 5 credits in writing standards
- Numeracy 10 credits at Level 1 or above, made up of:
  - co-requisite Level 1 Numeracy unit standard (US 32406) or Te Pāngarau (US 32412); or
  - achievement standards

Go to www2.nzqa.govt.nz/ncea/understanding-secondary-quals/universityentrance/ or ask your teachers/kaiako for further information.

#### Fees for International Students

Entry for assessment for NCEA and NZ Scholarship is free of charge for Domestic students/ākonga.

International Fee-Paying students must pay the following amount to enter for assessment for NCEA and/or NZ Scholarship:

NCEA entry \$383.30 per candidate Each NZ Scholarship subject \$102.20 per subject

You pay international student fees to your school/kura. They will be able to tell you when and how much to pay. Your school will pay fees to NZQA by 31 October

## O-Rākau 160th Commemoration

Ko te Atua tō tātou Piringa Ko Kīngi Tūheitia Pōtatau Te Wherowhero VII i te Torona-tapu Tēnei te rau ō mahara te kohi ake nei Ko tātou katoa ngā waihotanga ake e takatū nei Haere mai, haere mai, haere mai rā!

Te Akaakarauwhero!
Puatakataka!
Puawhiowhio!

## Regional Ki-O-Rahi Tournament

This term was another tournament and the start of our Ki O Rahi season for Te Kaokaoroa 2024. We are pleased to know that Ki O Rahi is growing here at Te Kaokaoroa with 2 teams being entered into the Tainui Ki O Rahi regionals, both with the common goal to represent their kura with pride and to have fun playing Ki O Rahi.

There were many new players on both sides, which was positive as it allowed for our teams to come together and support each other. This tournament also allowed for us to select our national Ki O Rahi team that will play in Gisborne later on in the term.

Special mention goes out to Ziah Senior and Nuka-James August-Wheki for supporting the teams and coming in to provide coaching and refereeing for our teams and tournament.

From here we move on from the tournament and prepare ourselves for nationals in

#### Referee Course

On Tuesday our kura was lucky enough to have Anahera Parata from New Zealand Rugby League come in and teach a number of our students how to referee. The students thoroughly enjoyed themselves and could possibly find a career down this pathway. They will use there new found knowledge the event just passed and referee games at the Mini Mod League tournament that was held in Tokoroa.

"Whangai te iti kahurangi"

## Wharekura Athletics

In week 5 of term 1 we held our annual ohu wharekura athletics at Glenshea park. The day was filled with energy and fun and the atmosphere was set right from the start. The tauira in there house colours made it clear they were here to represent there whare. The effort, sportsmanship and enthusiasm from each individual was phenomenal and overall we had a fantastic day.

The numbers were close throughout the day but Tautoko came out in full force and took the win with overall points and Mahitahi close behind in 2nd place.

Lots of records were broken and 13 x students qualified for the next level of athletics.

#### Records broken

**Shotput -** Senior girls - Leigha Atutahi

**Discus -** Junior boys - Arama Marsh-Wilkinson

Junior girls - Ania Hemmes

**Javelin -** Junior girls - Adelaide O'Donnell,

Intermediate girls - Myana Mataki-Kite Senior girls - Leigha Atutahi

Senior boys - Tarewa Pakaru Watson

**Long jump -** Intermediate girls - Ania hemmes

Senior girls - Shya Peri

Senior boys - Te Aorangi Ashby-Macdonald

**High Jump -** Junior girls - Stevie Lea Peri

#### **Qualifiers for King Country athletics**

Te Aorangi Ashby MacDonald Stevie-lea Peri Waihuia McCauley-Karauna Charm Taylor Angel Marsh-Wilkinson Caleb Marsh-Wilkinson Arama Marsh-Wilkinson Ahnakah Wallis Ania Hemmes Awheo Waitai-Terekia Leigha Atutahi

Purotu Wharewaka Adelaide O'Donnell

These students will go on to King Country and then if they play in the top 3 of there event/s, they qualify to compete at the Waikato/ Bay of Plenty athletics meet, test themselves against the best. We wish them all the best in their next venture.

#### **IMPORTANT BUS NOTICES**

Please note that all our buses are at full capacity, therefore we are not able to allow tamariki to catch alternative buses other than the ones they are assigned to.

And no food allowed on the bus at all

E ngā Mātua, e ngā Ākonga,

Reminder: No food or drink to be consumed on buses

YOUR BUS TRAVEL IS A PRIVILEGE, NOT A RIGHT

throwing food bullying grafitti

disrespect towards drivers

Non-compliance with requests from tuakana

Are just some of the behaviours I have been contacting parents about. I am actively enforcing the **Three Strike System** that is in your contracts. Please familiarise.

Extra copies are available on request from the office

#### **IMPORTANT NOTICES**

Please inform the office if your contact/emergency numbers or address details change at any time. If tamariki are sick or hurt themselves in the playground we need to be able to contact parents/caregivers ASAP.

Kura starts **8.45am.** Students arriving after **8.45am** need to report to the office for a **LATE PASS**. Parents/caregivers **PLEASE** contact the office if tamariki are absent from kura.

#### KĀKAHU KURA

As the weather turns colder and wetter, we kindly remind all parents to ensure their children are warmly dressed and have the necessary winter uniform.

Uniform items can be obtained from our school office. Please be reminded that our school rules regarding uniform still apply, and we ask that you ensure your children come to school in the

correct attire - Croc sandal are not correct school shoes attire, Must wear Plain black shoes
